### About NIDM:

The National Institute of Disaster Management (NIDM) constituted under the Disaster Management Act 2005 has been entrusted with the nodal national responsibility for human resource development, capacity building, training, research, documentation and policy advocacy in the field of disaster management. Upgraded from the National Centre for Disaster Management of the Indian Institute of Public Administration on 16th October, 2003. NIDM is steadily marching forward to fulfill its mission to make a disaster resilient India by developing and promoting a culture of prevention and preparedness at all levels.

### Mission

- To work as a think tank for the Government by providing assistance in policy formulation and
- To facilitate in reducing the impact of disasters through:
  - Planning and promoting training and capacity building services including strategic learning.
  - Research, documentation and development of national level information base.
  - System development and expertise promotion for effective disaster preparedness and mitigation.
  - Promoting awareness and enhancing knowledge and skills of all stakeholders.
  - Strengthening institutional mechanisms for training and capacity building of all stakeholders at all levels.
  - Networking and facilitating exchange of information, experience and expertise.
