Disaster Resource Network - India

- 571 out of 604 districts of India have prepared their resource inventory database in a decentralized fashion.
- 91000+ resources are been recorded in the database.
- 226 items/EQ/HR/CS are listed in the portal.
- 70 Corporates [CII Members] have registered themselves in the portal and contributed 200+ resources.

Disaster Resource Network – Sri Lanka

The screenshot shows the Sri Lanka Disaster Resource Network (SLDRN) website. At the top, there is a logo for SLDRN with the text "Sri Lanka Disaster Resource Network" below it. Underneath the logo, it says "Disaster Management Centre" and "Ministry of Disaster Management & Human Rights, Government of Sri Lanka". A red banner across the page reads "SRI LANKA DISASTER RESOURCE NETWORK". Below this banner, there are two main sections: "Sri Lanka Disaster Resource Network" and "User Authorization". The "Sri Lanka Disaster Resource Network" section contains a paragraph describing the network as a secured portal for emergency resources and a link to the Disaster Management Centre website. The "User Authorization" section has a login form with fields for "User Name" and "Password", a "Login" button, and a link for "Problem in login? Please report to SLDRN Administrator". The browser window title is "Sri Lanka Disaster Resource Network - Microsoft Internet Explorer" and the address bar shows "http://www.sldrn.gov.lk".

Sri Lanka Disaster Resource Network

Sri Lanka Disaster Resource Network (SLDRN) is a secured portal for inventory of emergency resources. District Administrations, several Ministries authorized by Ministry of Disaster Management & Human Rights, Government of Sri Lanka should login to the SLDRN portal to manage their online resource inventory.

[Link to Disaster Management Centre web site](#)

The Disaster Management Centre (DMC) was established under the National Council for Disaster Management in accordance with the Sri Lanka Disaster Management Act of 2005, which was passed by the Parliament of Sri Lanka on 13th May 2005. The vision of the DMC is to ensure that communities are safer against disasters and that development in Sri Lanka takes a sustainable and 'risk free' approach and create a culture of safety amongst communities and the nation at large through systematic management of natural, technological and man - made disasters.
